

## CHILDREN'S SERVICES AND PROGRAMS

The following types of services are funded from the Community Children's Services Fund that was created through a vote of the people in November 2006 that authorized a ¼ cent sales tax designated for children's mental health services for Lincoln County children and youth, ages 0-19.

- Psychiatric services
- Counseling services
- Substance abuse services
- Respite services
- Crisis care services
- School-Based early intervention programs
- School-Based prevention programs
- Community/Home-Based services
- Parenting programs

## LINCOLN COUNTY RESOURCE BOARD

*An Alliance of Community  
 Resources Securing a Healthy Future  
 for Our Children and Youth in  
 Lincoln County*

## WHAT IS THE LINCOLN COUNTY RESOURCE BOARD?

The Lincoln County Resource Board was formed in May of 2003 by the Lincoln County Commissioners. The purpose of the Resource Board is to oversee the establishment, operation and maintenance of mental health services for children, youth and their families in Lincoln County. The LCRB also provides leadership in the development and implementation of early intervention, prevention and life skills programs. Trustees of the Resource Board are appointed by the Lincoln County Commissioners for three-year terms.

## THE LCRB

### OUR MISSION

To develop and implement a comprehensive system of care for children and families in Lincoln County.

### OUR VISION

To secure and sustain a healthy future for the children and families of Lincoln County.

### OUR VALUES

- Collaboration
- Family Partnership
- Proactive Stance
- Representation
- Accountability
- Integrity
