Capturing History; Reporting Outcomes

The LCRB received a proclamation from the City of Troy during the October City of Troy Board of Aldermen meeting. Jim Wallis, who serves on the Board of Aldermen for Ward 2, led the 2006 Prop. 1 "Putting Kids First" campaign initative, establishing a 1/4 cent sales tax and the Lincoln County Resource Board. Twenty years later, Wallis, in his capacity as aldermen, was present to celebrate the recognition and 20 years of Putting Kids First in Lincoln County.

In part, the proclamation reads:

Whereas, the City of Troy recognizes the importance of strong community partnerships and organizations dedicated to improving the quality of life for the citizens of Lincoln County, in particular its children, youth, and families ....

Through a grant, the LCRB will premier a video depicting the mission of the LCRB and its children's services fund; highlighting partners and programs that serve Lincoln County children and families; and demonstrating outcomes derived from Putting Kids First and investing in their mental and behavioral health.
