

September 2026 | Putting Kids First in Lincoln County

Save the Date

The poster features a scenic background of a river, a bridge, and a town at sunset. At the top left is the LCRB logo with a banner for its 20th anniversary (2006-2026). To the right is the 'PUTTING KIDS FIRST' logo with the tagline 'Our community. Our children. Our future.' The central text reads '20th ANNIVERSARY CELEBRATION & LEGISLATIVE SUMMIT' followed by 'Funding Lincoln County Kids Mental and Behavioral Health' and '2006 - 2026'. Below this are four icons representing 'HEALTHY CHILDREN & YOUTH', 'STRONGER FAMILIES', 'THRIVING SCHOOLS', and 'PROSPEROUS COMMUNITIES'. At the bottom, a white box contains the event details: DATE (Thurs., Nov. 5), TIME (8 a.m.), and LOCATION (Main Street Elementary School, Troy). The tagline 'Investing in Lincoln County Kids—Then, Now, Always' is at the very bottom.

Investing in Lincoln County Kids—Then, Now, Always

2006 Lincoln County voters elect to "Put Kids First," approving a 1/4 cent sales tax measure to create a children's services fund, administered by the Lincoln County Resource Board (LCRB), to provide Lincoln County kids from the ages of 0 to 19 with prevention, early intervention, and crisis services to address timely mental and behavioral health needs.

2015 Toyota partners with the Lincoln County Resource Board to create a summit where community leaders and legislators gather to examine complex issues impacting Lincoln County children, youth, and their families, and partner to develop solutions that require broader community, state, and federal engagement and support.

2016 Toyota funds the Lincoln County Resource Board Legislative Summit and its first Mobile Outreach Tour to drive positive community-level change. The tour transports leaders to the forefront of children's mental health needs--exploring how LCRB-funded programs effectively address needs and collectively respond to challenges that require state and federal engagement.

2026 The Lincoln County Resource Board invites stakeholders to the **20th Anniversary Celebration and Legislative Summit, sponsored by Toyota Motor Manufacturing, Missouri.** The 2026 summit will convene at Troy R-III School District's Main Street Elementary School, which served as the site for the LCRB's first mobile tour/school visit in 2016. The summit will conclude at St. Stephen's United Methodist Church in Troy.

The LCRB 20th Anniversary and Summit agenda will highlight accomplishments since Lincoln County voters elected to "Put Kids First" and timely needs that require **Community Engagement, Partnership,** and an **Unwavering Commitment to Lincoln County kids.**

If you would like to join the LCRB for its 20th Anniversary Celebration and Legislative Summit on Thurs., Nov. 5 beginning at 8 a.m. at Main Street Elementary, please email the LCRB at director@lincolncountykids.org. A full agenda with timelines and transportation instructions will follow.

Lincoln County System of Care: Come to the Table

The Lincoln County System of Care (SOC) will reconvene Wed., Oct. 14 at a special time, 1:45 to 2:30 p.m., in the Powell Conference Room at the Troy R-III School District's Central Office building.

Since last meeting at the end of the 2025-26 academic year, the SOC in Lincoln County has experienced funding constraints and reductions in staff supports.

The October meeting will capture the state of our local SOC, offering clarity from local schools and partner organizations regarding updated policies and procedures to address our SOC focus: Chronic Absenteeism. SOC Lincoln County will set forth objectives to promote school attendance; ensure the safety and welfare of Lincoln County kids; and improve community indicators.

SOC participants will receive a meeting agenda and further details by email. **If you'd like to participate in SOC Lincoln County, email director@lincolncountykids.org.**

Please mark your calendars for the upcoming meetings, trainings, and events. Download the LCRB app (scan QR code) or follow the LCRB on Facebook for timely updates:
